Eight hampers. One house behind them.

Kravvia is a women-led culinary house founded by Priti S Shah in Santacruz, Mumbai, in 1999. The house works out of Hubtown Solaris in Andheri East.

Every hamper on the following pages is built around something made to Kravvia's own recipes: a box of exotic dry-fruit sweets, a healthy sweet tray, roasted savoury or granola. Each is then assembled with objects chosen for the occasion: brass diyas, soy wax candles, bath salts, resin and silver.

Eight hampers, ₹2,000 to ₹10,500. Prices current as of August 2026. Pages run from the smallest to the largest.
